

Catalogue

This page provides links to examples of some of the Residual Media Depot's acquisitions. Michael Iantorno and Alex Custodio are currently in the process of databasing the collection, so keep an eye out for future updates.

RMD002 | Atari 2600

RMD026 | Radioshack Full-Color TV Scoreboard

RMD055 | Atari 5200

You can read about our progress and initial research questions in our recent blog post.
