Type	Gaming Console
Folksonomies	Color TV Scoreboard, Radioshack Electronic TV Scoreboard
Region	NTSC
Manufacturer	Radioshack
Manufacturing Location	Hong Kong
Model Number	60-3055
Footprint in Use (w x d x h, cm)	22.2 x 26.0 x 5.5
Cable Length (cm)	182 (power), 121 (twin-lead), 305 (controllers)
Materials, Color	Plastic, beige and faux walnut
Packaging	Radioshack Electronic TV Scoreboard Box
Power	DC

Inputs	Button (Hockey/Tennis/Handball), Switch (Game/TV), Switch (Players 1/2), Switch (Channel 3/4). Two controllers hardwired, each with Button (Reset), Slider
Connections (In)	Prongs (AC), Twin-Lead (RF)
Connections (Out)	Twin-Lead (RF)
Notes	Two wand controllers hardwired into the system. Switch box hardwired into the system (hence switch for game/tv). This is the first item in our collection where we've seen this phenomenon. Speculation: can use the machine as a giant switch box for Super Nintendo? (To test.) Tag on power cable says "simulated walnut finish." System has indents on the back so that a user can mount it on the wall. Plugs directly to wall power.
